ORMONDALE WINS BROADWAY STAKES

Last Year's Futurity Winner Scores Easy Victory at Gravesend.

WHIMSICAL SECOND; FLIP-FLAP THIRD

Great American Stakes go to Water Pearl—Paul Jones First in Greater New York Steeplechase—Results of Other Races.

(By Associated Press.)

NEW YORK, June 9.—Ormondale, last year's Futurity winner, making his first appearance of the year, scored an easy victory in the Broadway stakes, one mile and a sixteenth, at Gravesend to-day. He was quoted at 18 to 5 in the betting. Whimsical, the 7 to 10 favorite, was second, and Flip-Flap, who was third away from the post, but Miller at once sent him into the lead, and in the run-down to win the backstretch he had a length's advantage.

Whimsical attempted to go up on the rail at half-mile pole, but was shut off, completely ruining whatever chances Whimsical had. Ormondale was still leading by a length in the stretch, where Flip-Flap, who had been second all the way, dropped back. Whimsical came again under the whip, but was unable to make up the lost ground.

Took Their Measure.

(Special to The Times-Dispatch.)

PETERSBURG, Va., June 9.—A hot, but enthusiastic, baseball crowd saw the Riverside Country Club team take the measure of the Ashland team this afternoon at the club grounds by a score of 4 to 3. The game was close, exciting and well played, the local team doing especially fast work on the diamond and in base running.

Lakeside Tournament.

The spring tournament at the Lakeside Country Club, in accordance with the rules regulating the same, was brought to a termination on Tuesday last. The entire course throughout the tournament was never kept in a more satisfactory condition. The fair greens were in excellent shape, and, as far as the weather permitted, the putting greens were in good condition. Every round of the tournament was marked by matches that were very hotly contested, and some very excellent scores were made.

The pairings for the tournament were as follows: J. W. Young vs. R. L. Powers, G. W. Lang vs. H. A. Gillis, O. B. Hill vs. F. J. B. Mackay, C. C. Jones vs. E. T. Orgain, J. W. Atkinson, Jr. vs. W. H. Palmer, Jr.

In the preliminary round—R. L. Powers defeated J. W. Young, 8 up and 2 to play; H. A. Gillis defeated G. W. Lang, 7 up and 5 to play; F. J. B. Mackay defeated O. B. Hill, 4 up and 3 to play; E. T. Orgain defeated C. C. Jones, 3 up and 1 to play; W. H. Palmer, Jr. defeated J. W. Atkinson, Jr., 2 up and 1 to play.

In the third round H. A. Gillis defeated W. H. Palmer, Jr., 1 up and 50 holes. As E. T. Orgain was unable to play off the bye, H. A. Gillis won out by default.

In the consolation round J. L. Hardin defeated Thomas Whitte, 3 up and 1 to play; and in the next round William P. Wood defeated J. L. Hardin, 6 up and 5 to play.

The winners were, accordingly: Lowest score, qualifying round—E. T. Orgain.

Spring championship, 1906—H. A. Gillis.

A series of monthly handicap matches will follow the spring tournament and extend to the annual fall championship tournament, announcements of which will be made later.

WOODBERRY FOREST'S CRACK TEAM PROUD OF FINE RECORD

WOODBERRY FOREST TRACK TEAM. Valentine (assistant manager), 1; Magruder, 2; Caperton (manager), 3; Jones, 4; Hardy, 5; Lippitt, 6; McLure, W. 7; Pagin, 8; Krug, 9; McLure, W., 10; Claiborne, 11; Grainger (captain), 12; Galt, C., 13; Smith, R., 14; Harrison, 15; Lang, 16; Gallup (coach), 17.

Woodberry Forest School track team closed the most successful season in its history on May 5th. The team won great favor at the indoor track games in Richmond in February, carrying off the interscholastic honors and defeating the Episcopal High School and Georgetown Preparatory Schools in relay races. The team also won many points and prizes at Washington in March at the

great interscholastic meet in Convention Hall. At the meet, under the auspices of the University of Virginia, at Charlottesville, on April 21st, Woodberry carried off the interscholastic banner, and closed its season at the meet under the auspices of the Episcopal High School at Alexandria, May 6th, winning twelve points and the relay championship of the State.

Captain Grainger, Krug and Claiborne are excellent quarter-miles, and Hardy is without doubt the best 100-yard runner in the State. Pagan and Lippitt are both good pole vaulters, and Smith and Pagan take the hurdles with much speed. The team as a whole is well-balanced and with many of the old boys back next year will probably make even a better showing in 1907.

RACING CIRCUIT FOR TWO STATES

Horses to Run at Fall Fairs in Virginia and North Carolina Towns.

(Special to The Times-Dispatch.)

WINSTON-SALEM, N. C., June 9.—A meeting for the organization of a Southern race circuit was held here to-day, the object of it being to avoid a conflict of dates on the part of various fair associations in Virginia and North Carolina; to adopt purses and classes for races which will be nearly uniform; to employ a suitable starting judge; to arrange for attractions to go through the circuit, and to consider other matters of mutual advantage.

Dates for the several fairs were selected as follows:

Galax, Va., September 5th, 6th and 7th; Radford, Va., September 11th, 12th, 13th and 14th; Tazewell, Va., September 18th, 19th and 20th; Roanoke, Va., September 25th, 26th, 27th and 28th; Winston-Salem, N. C., October 2d, 3d, 4th and 5th; Greensboro, N. C., October 9th, 10th, 11th and 12th; Charlotte, N. C., October 16th, 17th, 18th and 19th.

Cyrus T. Fox, who was made the circuit secretary, was authorized to correspond with several licensed starting judges, with the view of obtaining a competent official for all the places in the circuit.

BAKER'S DOZEN FACE THE TRAPS

Scatter-Gun Artists Make Good Scores on a Very Hot Afternoon.

Just a "baker's dozen" of scatter-gun artists faced the traps yesterday afternoon at the Richmond Gun Club, and chalked up some good scores to the credit of the contestants.

The popular president of the club, Mr. V. Hechler, with his handicap, won the Hotel Lawrence medal and wears it until the next contest. This entitles him to one point during the season's shoot.

Mr. MacLellan won the weekly medal on the good score of 48 out of 50. Anderson was high in the 40, beating MacLellan by one target. Both got a straight in the last 50.

The big Fourth of July shoot bids fair to surpass all previous contests.

There will be over \$100 in gold added to the different purses and about \$300 in merchandise prizes.

The Hunter Arms Co. has donated a handsome forty-dollar gold medal to be contested for by all shooters of the city during the season.

This will be a very interesting contest, as the conditions are, 40 targets, 20 with both barrels and 10 pair doubles.

The shooter to become the owner who wins it the greatest number of times.

The green squad is no more, each shooter is now in the 75 per cent. class.

Mr. Lavall, a prominent shooter of Fredericksburg, shot with the club to-day and made a good score.

The scores follow:

Regular score at fifty.	Extra targets.	Total broke in 100.

While the big State League teams are wielding the big stick, or handling the muck rake, as the case may be, winning or going down in defeat, the Richmond Amateur League teams are doing no less, though on a smaller scale and with less notoriety. All the contests are well patronized, and the rooters are just as eager, just as enthusiastic, and just as interested as are the fans, who confine their enjoyment in the narrow bounds of the big games.

The four games were played as usual yesterday afternoon, and in no one of them was there seen any lack of spirit or any lack of good baseball work. The Inskingers won their first game, and started on that upward career, which they hope will end at the foot of the stad that bears the name of the winning team. The team was considerably battered by some new material, and the results were what were expected with the new players. The Snowballs won again, thus holding their own at the top of the percentage column; the Locos won by a close score and are tied with the Snowballs, and the Chinamen scored

Moser's superb pitching, coupled with Laval's poor fielding, was the cause of Richmond's defeat at the hands of the Champions yesterday afternoon. The score was four to two, and the Lawmakers were owing to the two previous victories to Jack Grim, for the Shoemakers, patted his men on the back and left the city, feeling that he had the best team in the league.

The game yesterday makes the thirteenth straight one for Moser, the star artist, for Lynchburg. He has yet to lose a game. With twelve games in succession to his credit, he floated into Richmond and there were those who predicted that the unlucky number would be his undoing. Those same people left the park with a different idea. Four hits he allowed, and he kept these scattered, the last one coming in the ninth inning when Cuddy sent a long drive to right just on the foul-line.

Laval Didn't Field.

Laval permitted nine men to connect safely, for as well as he kept records scattered that had he fielded his position well the score would have been a tie in the ninth, and Cuddy's drive would have brought the winning man over the plate. Twice when balls were knocked at him he fumbled them and thereby put men on bases. Two runs were made by the visitors in the fourth inning after two men were out and after Laval had juggled a ball that could have easily been transferred to first.

One of the largest crowds of the season witnessed the Lawmakers tussle for the game, and the crowd left with the idea that Lynchburg had a team that for fast work would make them all hustle. The team work of the nine is perfect and each man plays for the game. There is more snap and ginger and more good feeling existed between the players than is manifest among the majority of clubs. Every man works with every other man and when an error is made there is no utterance that will demoralize the team or discourage the individual player.

Lynchburg's nine resembles, in many respects, a college nine, every man working with all his might for the game. This, perhaps, is the cause of the position at the head of the list the nine now holds.

But the Lawmakers put up a good exhibition of the national game. There were two very fast doubles, Laval figuring in one of them when the bases were full and only one man out. Cuddy brought out the other one by leaping high into the air and catching a hot liner and transferring it to Shaffer in time to catch the runner, who had left the initial sack.

Richmond took the field, and Daringer, the Indian rubber child, started one right on the nose for a single. Bowen sacrificed nicely, and Bently sent one to Cuddy, who fumbled it just long enough to let Daringer score. Cuddy got Bently at first, however, Wilson got one high in the air that Hinton was under for keeps, and this ended the run-making for the nonce.

In the third inning the Lawmakers tied the business up with a good, strong hangman's knot. Unfortunately, the rope was finally placed around about their own necks. Hinton started the fun by pasting one fairly. Laval attempted a
